

NPCI/UPI/OC-100B/2026-27

5th June 2026

To,

All Member Banks, PSPs, Unified Payment Interface (UPI)

Dear Sir / Madam,

Subject: Addendum to “Mandatory Brand Guidelines for BHIM UPI Merchant QR (Quick Response)”

With reference to NPCI circulars NPCI/UPI/OC-100/2020-21, NPCI/UPI/OC-100A/2022-23 and NPCI/UPI/OC-190/2023-24, this circular outlines revised BHIM UPI Merchant QR Brand Guidelines to standardise the customer experience while scanning merchant QR. The updated brand guidelines are enclosed in Annexure A of this circular and shall be applicable in accordance with the timelines specified below:

- 1) All new Merchant QR codes issued after 1st December 2026 shall mandatorily be compliant with the updated BHIM UPI Merchant QR Brand Guidelines.
- 2) All existing Merchant QR codes which are being replaced from 1st December 2026 shall mandatorily be compliant with the updated BHIM UPI Merchant QR Brand Guidelines.
- 3) QR code designs are required to be approved by NPCI before implementation (approval process is enclosed in Annexure B).

Acquiring Banks/ PSPs are hereby requested to take note of the above and communicate it to relevant stakeholders and their partners to ensure timely compliance.

Your Sincerely,

SD/-

Sourabh Tomar

Deputy Chief UPI Product

Annexure A – Revised Brand Guidelines for UPI Merchant QR

Annexure B – Design approval process

Annexure A – Revised Brand Guidelines for UPI Merchant QR

BHIM UPI Logo

Reference for Logo Colour Option

For any partner using the BHIM UPI logo within a QR design layout where the partner's brand colour is used as the background colour, the BHIM UPI Reverse logo must be used, as depicted in the exhibit.

Standard Static QR

QR Code Specifications

BHIM UPI Logo Positioning

- Recommended Placement: Above the QR code

Size Requirements

- Standard Format: QR code should occupy minimum of 60% of the relative page height

Definition of a Partner

- Partner means the Acquiring Bank/Payee PSP or the Payment Aggregator on-boarded by such Bank/Payee PSP in UPI who directly on-boards the merchant for offering UPI services.

Logo Placement & Proportions

- If partner logo is Horizontal logo, BHIM UPI and Partner logo must maintain a height ratio of 1:1.
- If partner logo is Vertical logo, BHIM UPI and Partner logo must maintain a height ratio of 1:1.5.
Vertical logo is defined as a logo which is one and a half times the height of network logo and half the breadth of network logo. All other partner or merchant logos will be considered as horizontal logos.

Optional: Merchant Logo / Merchant Name

- The QR can have either merchant logo or merchant name. Placement of Merchant logo or name is optional and not mandatory. If Merchant logo or merchant name is placed within the QR sticker, it shall be placed beside Partner logo as depicted in the sample QR.
- When merchant logo / Merchant name is not placed inside the QR, the partner logo must be centre aligned to the QR sticker.

Mandatory Text & Information Requirements

UPI ID Display

- Location: Below or Above the QR code. The UPI ID text should not be placed on the immediate top or bottom of the BHIM UPI logo (Refer to the QR exhibit on this page)
- Format: Must include the text "UPI ID" before the actual UPI ID | Example: "UPI ID: merchant@bank"

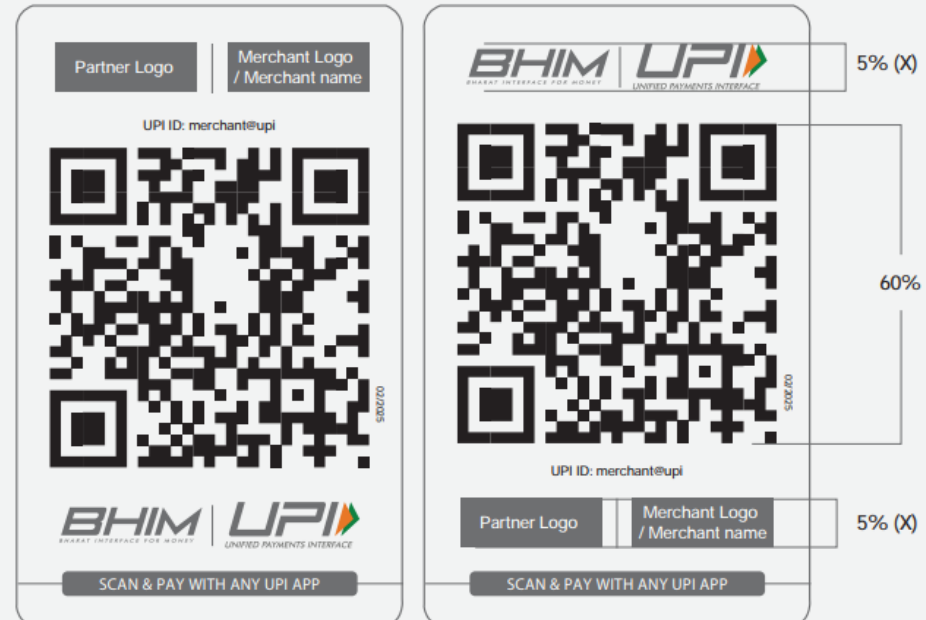

Issuance Date

- Date of QR issuance in format MM/YYYY to be mentioned on the right side of QR code

Continued...(1/2)

All percentage values mentioned in the QR layout exhibits refer to the percentage of the total QR design height, unless explicitly stated otherwise as a percentage of area (e.g., "% of area").

Partner logo variation 1

BHIM UPI logo safe space definition

Standard Static QR

Continued...(2/2)

Restriction:

- BHIM UPI logo must NOT be placed next to, above, or below partner/merchant logos
- Safe Area: Maintain 1/2x free space around BHIM UPI logo from all sides (refer BHIM UPI logo safe space image)

Prohibited Content

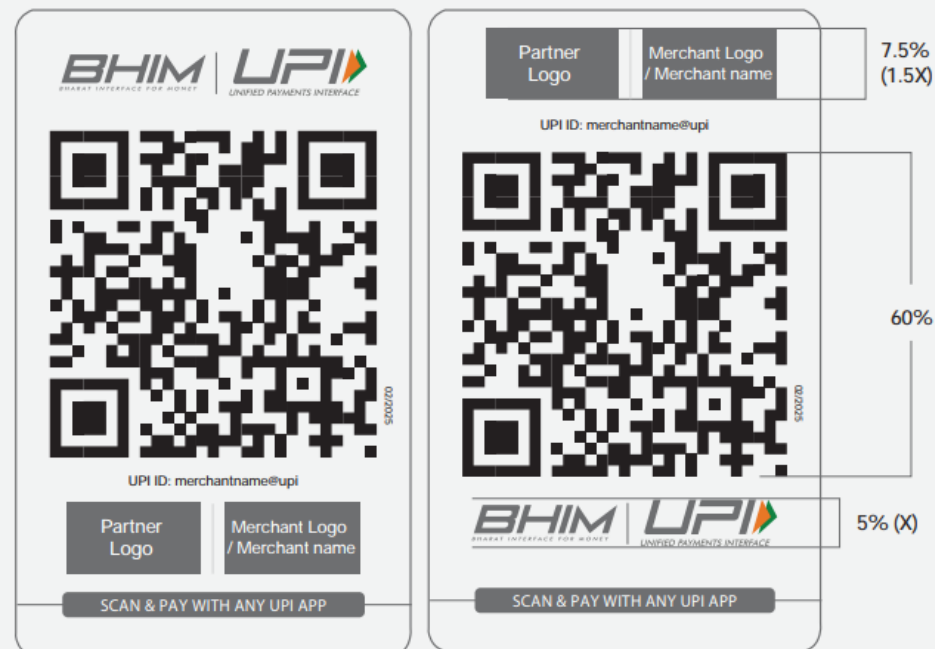

- Any form of custom messages / images are strictly prohibited in any type of UPI QR sticker
- No other QRs / stickers can be placed beside any UPI QR Sticker

Minimum permissible size

Details	Pixels & points	Relative Ratio to Page
Main Partner Logo	25 px	5% (Horizontal) 7.5% (Vertical)
BHIM UPI Logo	25 px	5%
QR Code	240 px	60%
Font Size for Text of UPI ID	10 pt	
Font Size of "Scan & Pay with any UPI app"	20 pt	

All percentage values mentioned in the QR layout exhibits refer to the percentage of the total QR design height, unless explicitly stated otherwise as a percentage of area (e.g., "% of area").

Partner logo variation 2

Incorrect Placement

Don'ts

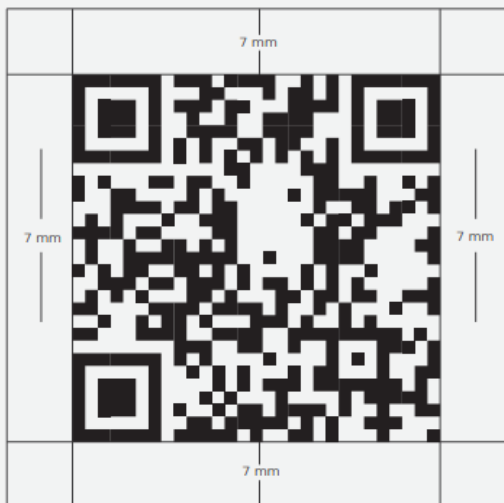

Customized QR Design Types

- The below design elements to be included for any QR design types upto 10 cm (height)
- Definition of a Partner: Partner means the Acquiring Bank/Payee PSP or the Payment Aggregator on-boarded by such Bank/Payee PSP in UPI who directly onboards the merchant for offering UPI services.
- If partner logo is Horizontal logo, BHIM UPI and Partner logo must maintain a height ratio of 1:1.
- If partner logo is Vertical logo, BHIM UPI and Partner logo must maintain a height ratio of 1:1.5.

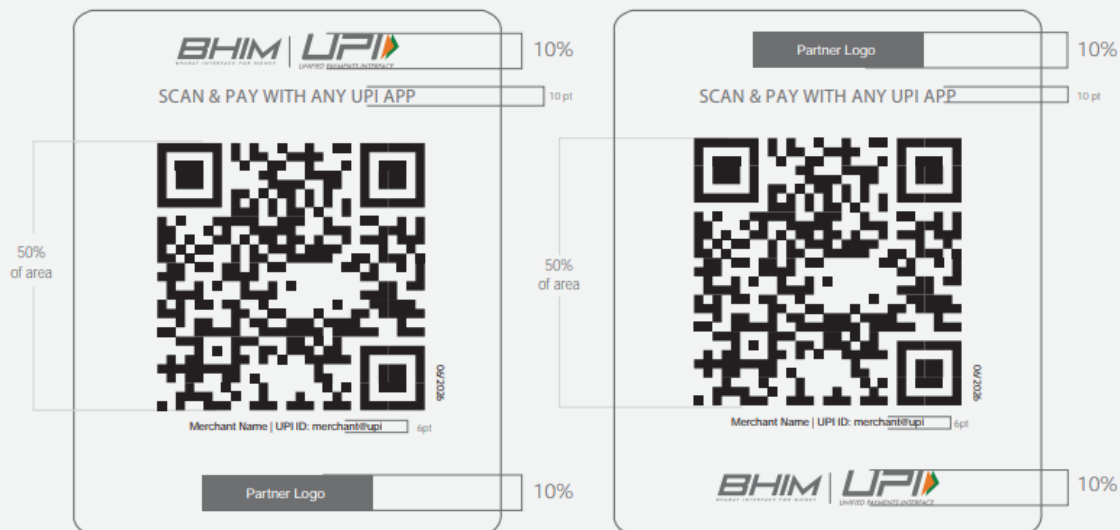

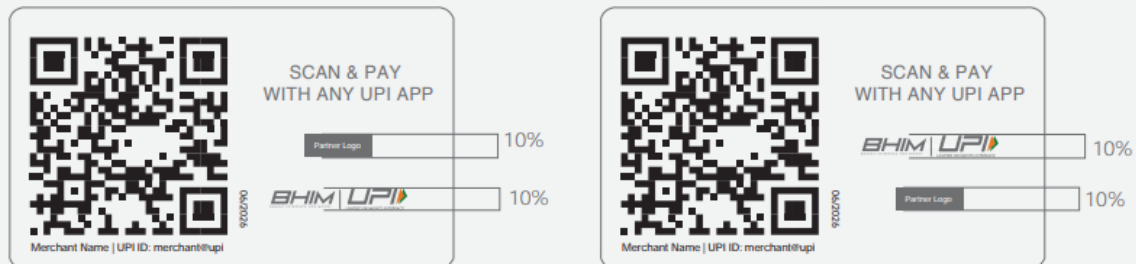

Vertical logo is defined as a logo which is one and a half times the height of network logo and half the breadth of network logo. All other partner or merchant logos will be considered as horizontal logos.

Continued...(1/2)

QR Safe Space

Partner logo variation 1

All percentage values mentioned in the QR layout exhibits refer to the percentage of the total QR design height, unless explicitly stated otherwise as a percentage of area (e.g., "% of area").

Customized QR Design Types

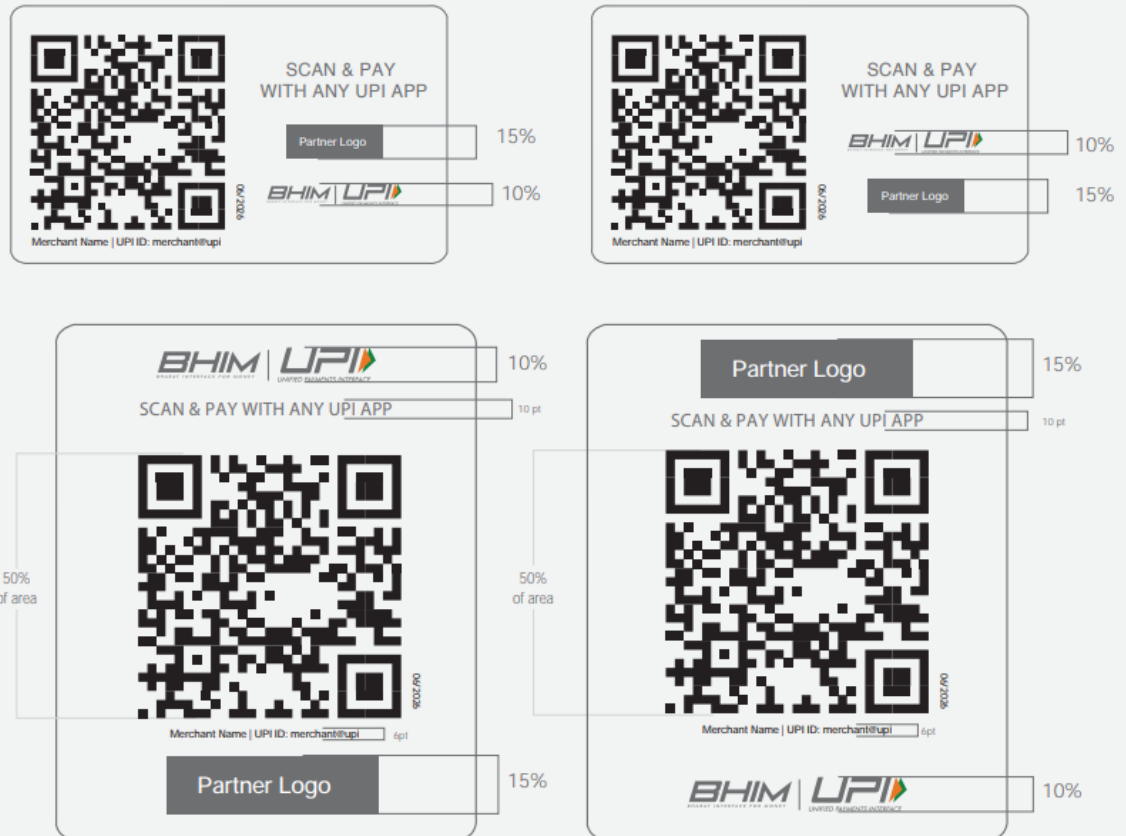

Continued...(2/2)

- BHIM UPI logo must be minimum of 10% of the height of QR sticker
- The QR size to be maintained at minimum 50% of total QR sticker area for non-standard design types
- Minimum QR code size must be 2 cm x 2 cm to ensure scannability.
- Include the line "Scan & Pay with any UPI app" to ensure clear user instruction.
- Date of QR issuance in format MM/YYYY must be mentioned on the right side of QR code

QR Safe Space

Partner logo variation 2

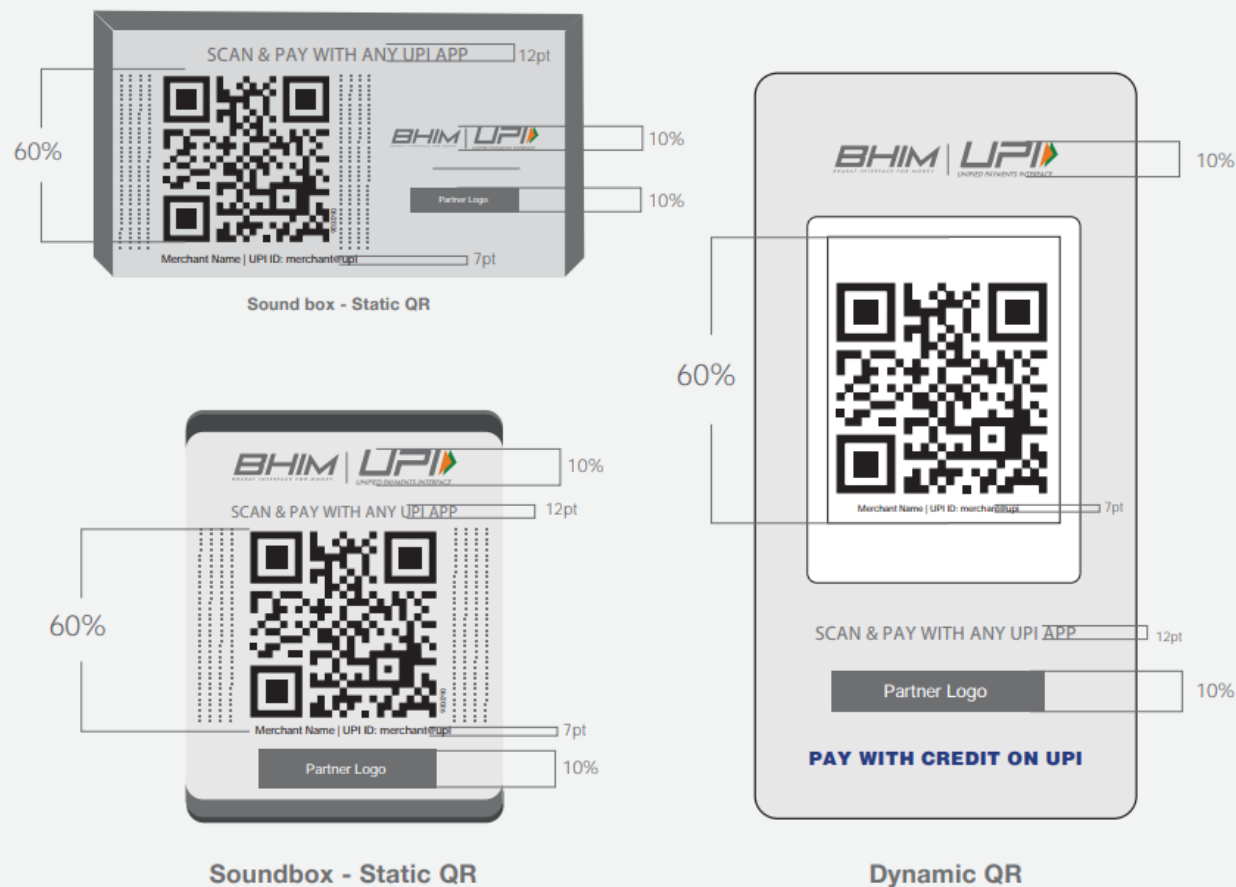

All percentage values mentioned in the QR layout exhibits refer to the percentage of the total QR design height, unless explicitly stated otherwise as a percentage of area (e.g., "% of area").

QR Design Sound Box / Dynamic QR

- BHIM UPI logo must be minimum of 10% of the height of QR sticker
- Definition of a Partner: Partner means the Acquiring Bank/Payee PSP or the Payment Aggregator onboarded by such Bank/Payee PSP in UPI who directly onboards the merchant for offering UPI services.
- The QR size to be maintained at minimum 60% of total QR sound box
- Include the line "Scan & Pay with any UPI app" to ensure clear user instruction
- The call out 'Pay with Credit on UPI' must be placed only on Dynamic QRs where the merchant is accepting UPI transactions from credit account

Continued...(1/2)

Partner logo variation 1

All percentage values mentioned in the QR layout exhibits refer to the percentage of the total QR design height, unless explicitly stated otherwise as a percentage of area (e.g., "% of area").

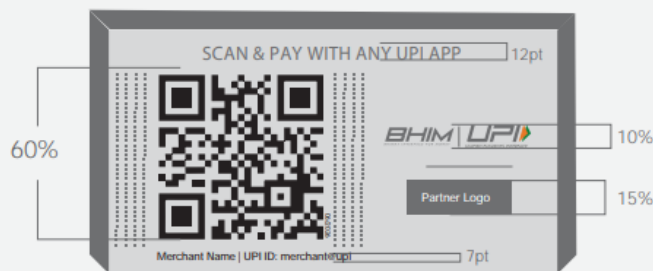

QR Design Sound Box / Dynamic QR

Continued...(2/2)

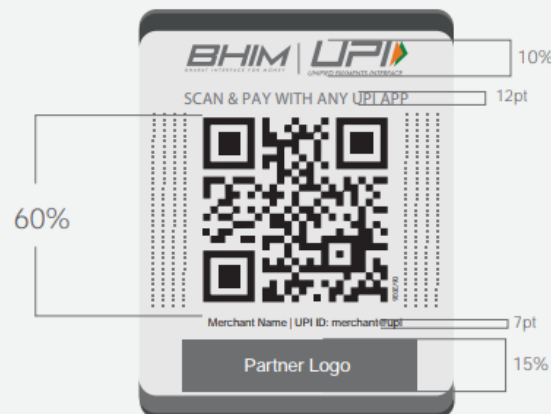

- If partner logo is Horizontal logo, BHIM UPI and Partner logo must maintain a height ratio of 1:1.
- If partner logo is Vertical logo, BHIM UPI and Partner logo must maintain a height ratio of 1:1.5.
- In Soundbox QR code, date of QR issuance in format MM/YYYY must be mentioned on the right side of QR code

Vertical logo is defined as a logo which is one and a half times the height of network logo and half the breadth of network logo. All other partner or merchant logos will be considered as horizontal logos.

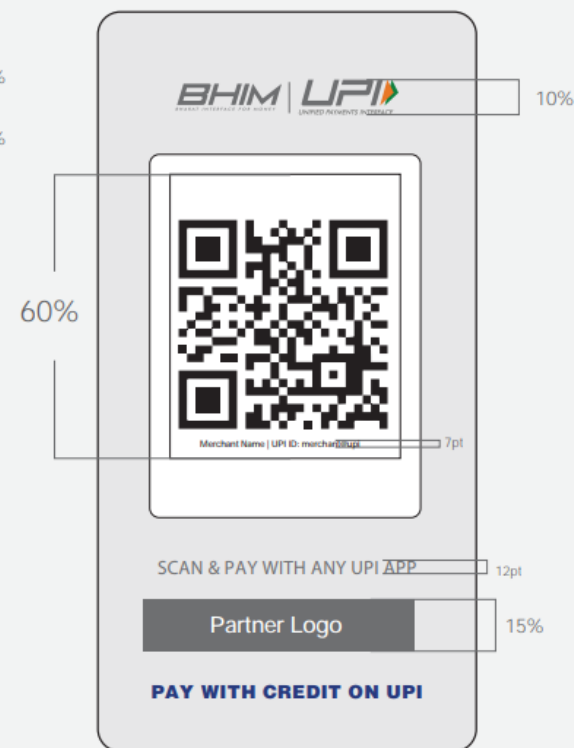

Partner logo variation 2

Soundbox - Static QR

Soundbox - Static QR

Dynamic QR

All percentage values mentioned in the QR layout exhibits refer to the percentage of the total QR design height, unless explicitly stated otherwise as a percentage of area (e.g., "% of area").

Large Display QR

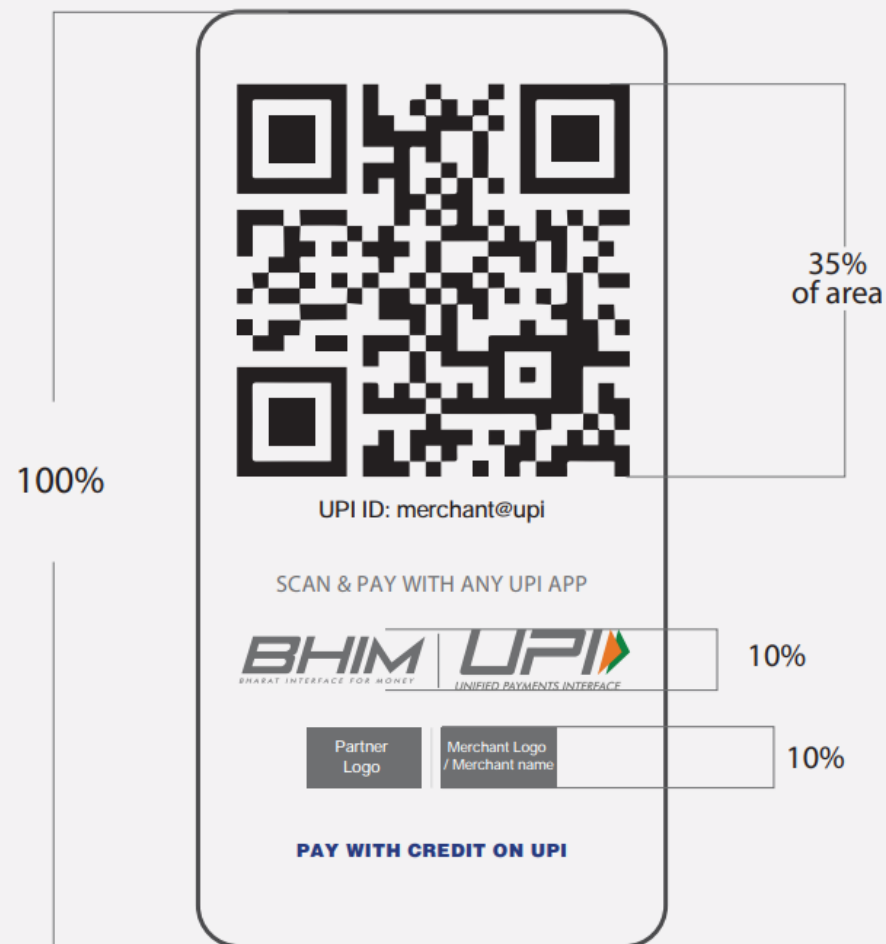

All Dynamic QRs with screen size more than or equal to 10 inches (diagonally) must follow the below mentioned guidelines

- Definition of a Partner: Partner means the Acquiring Bank/Payee PSP or the Payment Aggregator onboarded by such Bank/Payee PSP in UPI who directly onboards the merchant for offering UPI services.
- A Bank/Partner/Merchant must use BHIM UPI logo in all of its communication and the size of the BHIM UPI logo unit must be same as the size of the brand logo unit, matched by height only.
If partner logo is Vertical logo, BHIM UPI and Partner logo must maintain a height ratio of 1:1.5.
- BHIM UPI logo must be minimum of 10% of the height of LDQR screen
- Merchant must display their respective UPI ID below the QR code. And should mention the word 'UPI ID' before the UPI ID as represented.
- Include the line "Scan & Pay with any UPI app" to ensure clear user instruction.
- The QR code must occupy at least 35% area from the total area of LDQR screen.
- The call out 'Pay with Credit on UPI' must be placed only on Dynamic QRs where the merchant is accepting UPI transactions from credit account

Details	Relative Ratio to Page
Main Partner Logo	10% (Horizontal) 15% (Vertical)
BHIM UPI Logo	10%
Font Size for Text of UPI ID	3%
Font Size of "Scan & Pay with any UPI App"	3%
Font Size of "Pay with Credit on UPI"	3%

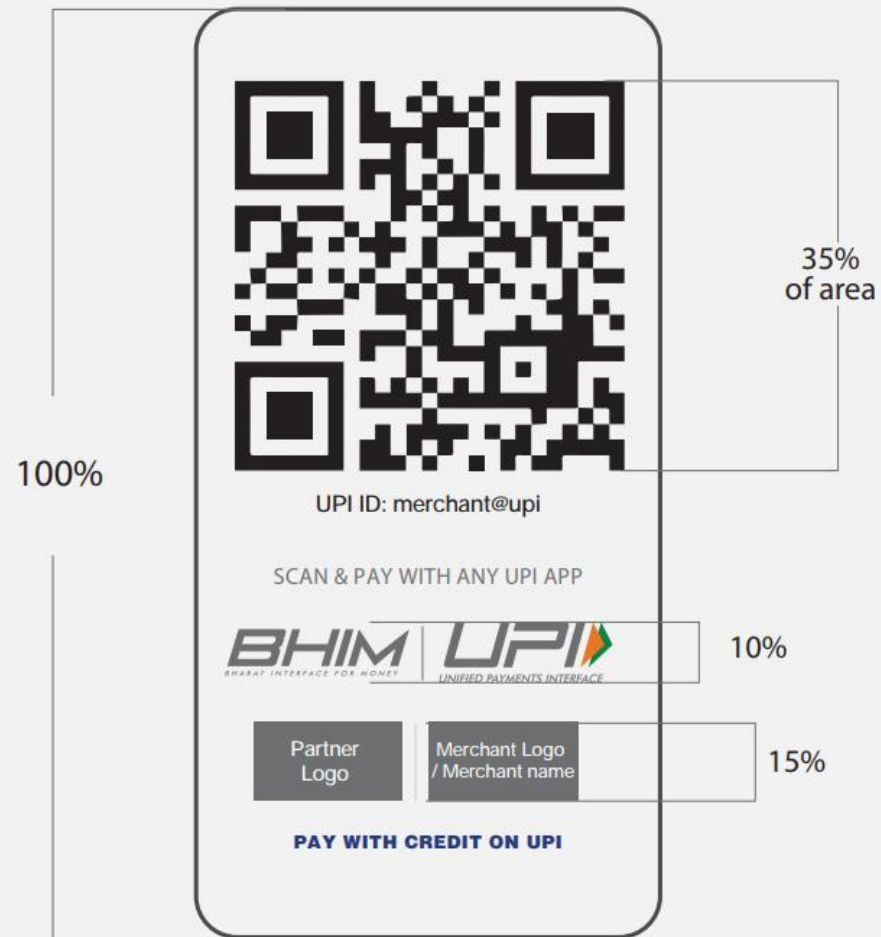

All percentage values mentioned in the QR layout exhibits refer to the percentage of the total QR design height, unless explicitly stated otherwise as a percentage of area (e.g., "% of area").

Partner logo variation 1

Large Display QR

Partner logo variation 2

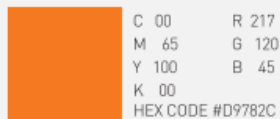

All percentage values mentioned in the QR layout exhibits refer to the percentage of the total QR design height, unless explicitly stated otherwise as a percentage of area (e.g., "% of area").

GUIDELINES FOR QR ENABLED WITH TAP TO PAY

- For All Tap & Pay (NFC enabled) Static QR Codes - the QR design must have an additional space over and above the regular defined space with the text 'Tap to Pay'
- The Font size for the text 'Tap to Pay' would be a minimum of 25pts in size
- In the middle of the QR a Contactless Symbol & "Tap to Pay" text needs to be featured (clearly visible) as per the defined colors.
- The Contactless symbol and the text needs to occupy a minimum of 10% of the QR code size (ensuring the QR is scannable)
- All other definitions from a Standard QR guideline remains as applicable for these QRs.

'TAP HERE' Logo details:

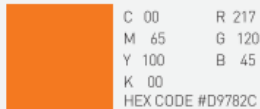

Logo size: 10% of QR size

Font : Helvetica Black

TAP TO PAY QR Design

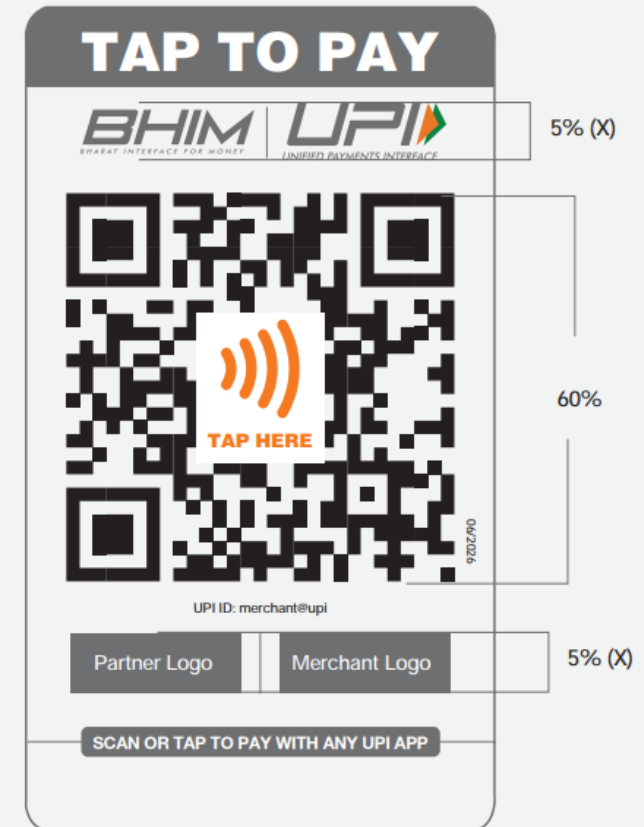

- For All Tap & Pay (NFC enabled) Static QR Codes - the QR design must have an additional space over and above the regular defined space with the text 'Tap to Pay'
- The Font size for the text 'Tap to Pay' would be a minimum of 25pts in size
- In the middle of the QR a Contactless Symbol & "Tap Here" text needs to be featured (clearly visible) as per the defined colors.
- The Contactless symbol and the text needs to occupy a minimum of 10% of the QR code size (ensuring the QR is scannable)
- All other definitions from a Standard QR guideline remains as applicable for these QRs.

'TAP HERE' Logo details:

Logo size: 10% of QR size
Font : Helvetica Black

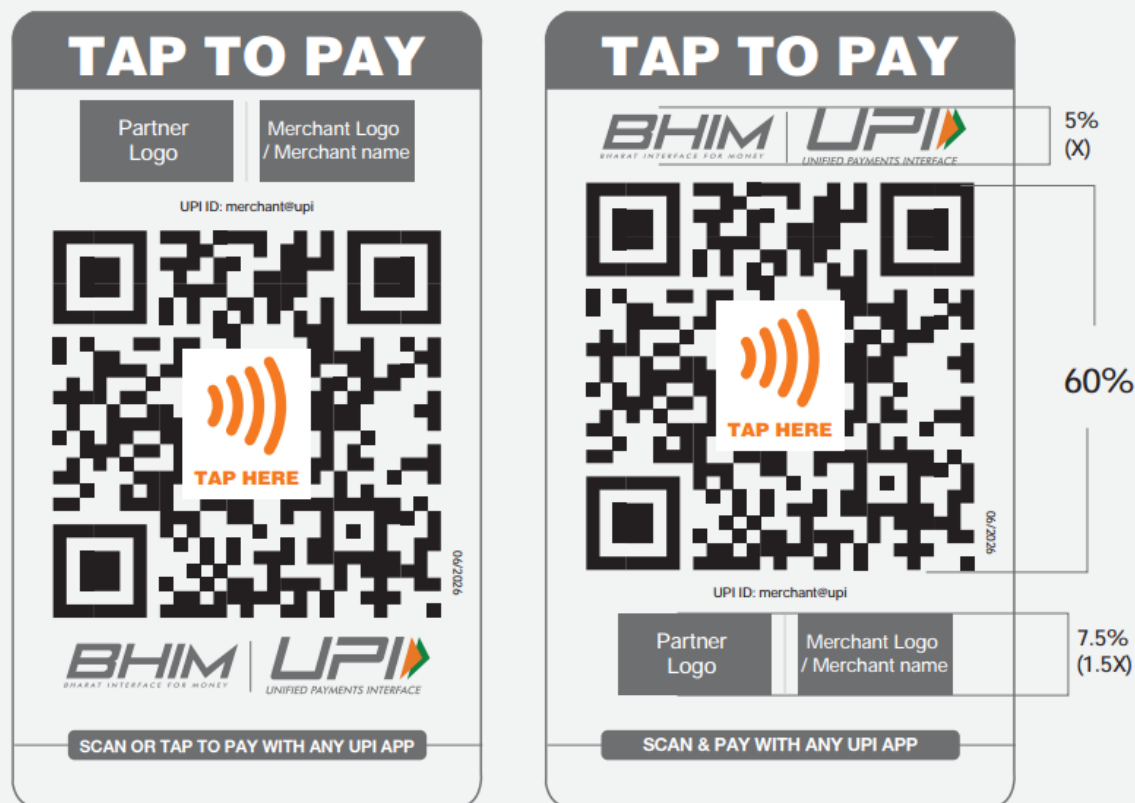

Partner logo variation 1

All percentage values mentioned in the QR layout exhibits refer to the percentage of the total QR design height, unless explicitly stated otherwise as a percentage of area (e.g., "% of area").

TAP TO PAY QR Design

Partner logo variation 2

All percentage values mentioned in the QR layout exhibits refer to the percentage of the total QR design height, unless explicitly stated otherwise as a percentage of area (e.g., "% of area").

Customized QR Design Types (TAP TO PAY)

- The below design elements to be included for any QR design types upto 10 cm (height)
- Definition of a Partner: Partner means the Acquiring Bank/Payee PSP or the Payment Aggregator onboarded by such Bank/Payee PSP in UPI who directly onboards the merchant for offering UPI services.
- If partner logo is Horizontal logo, BHIM UPI and Partner logo must maintain a height ratio of 1:1.
- If partner logo is Vertical logo, BHIM UPI and Partner logo must maintain a height ratio of 1:1.5.

Vertical logo is defined as a logo which is one and a half times the height of network logo and half the breadth of network logo. All other partner or merchant logos will be considered as horizontal logos.

QR Safe Space

Partner logo variation 1

All percentage values mentioned in the QR layout exhibits refer to the percentage of the total QR design height, unless explicitly stated otherwise as a percentage of area (e.g., "% of area").

Customized QR Design Types (TAP TO PAY)

Continued...(2/2)

- BHIM UPI logo must be minimum of 10% of the height of QR sticker
- The QR size to be maintained at minimum 50% of total QR sticker area for non-standard design types
- Minimum QR code size must be 2 cm x 2 cm to ensure scannability.
- Include the line "Scan & Pay with any UPI app" to ensure clear user instruction.

Partner logo variation 2

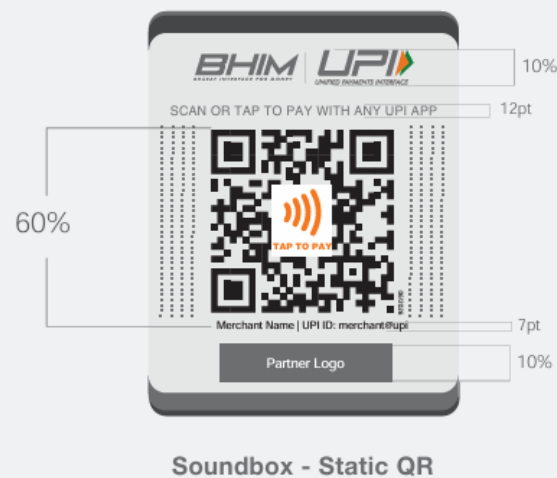

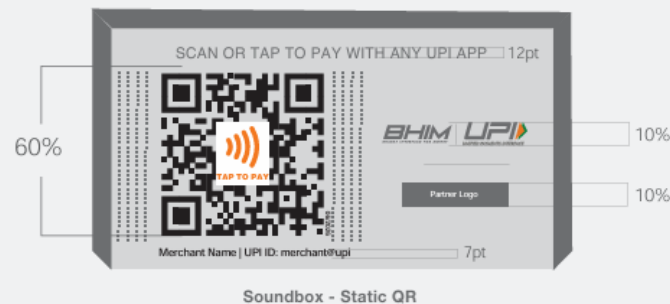

QR Safe Space

All percentage values mentioned in the QR layout exhibits refer to the percentage of the total QR design height, unless explicitly stated otherwise as a percentage of area (e.g., "% of area").

QR Design Sound Box / Dynamic QR (TAP TO PAY)

- In the middle of the QR a Contactless Symbol & "Tap to Pay" text needs to be featured (clearly visible) as per the defined colors.
- The Contactless symbol and the text needs to occupy a minimum of 10% of the QR code size (ensuring the QR is scannable).
- Include the line "Scan or Tap to Pay with any UPI app" to ensure clear user instruction
- All other definitions from a Soundbox and Dynamic QR guideline remains as applicable for these QRs.

All percentage values mentioned in the QR layout exhibits refer to the percentage of the total QR design height, unless explicitly stated otherwise as a percentage of area (e.g., "% of area").

Large Display QR (TAP TO PAY)

- For All Tap & Pay (NFC enabled) LDQR Codes - the QR design must have an additional space over and above the regular defined space with the text 'Tap to Pay'
- In the middle of the QR a Contactless Symbol & "Tap to Pay" text needs to be featured (clearly visible) as per the defined colors.
- The Contactless symbol and the text needs to occupy a minimum of 10% of the QR code size (ensuring the QR is scannable).
- Include the line "Scan or Tap to Pay with any UPI app" to ensure clear user instruction
- All other definitions from a LDQR guideline remains as applicable for these QRs.

100%

35%
of area

10%

15%

All percentage values mentioned in the QR layout exhibits refer to the percentage of the total QR design height, unless explicitly stated otherwise as a percentage of area (e.g., "% of area").

Annexure B

Design Approval Process:

1. **Mandatory Approval Requirement:** All UPI QR Code designs shall obtain prior approval from NPCI before implementation or deployment.
2. **Submission Process:** Approval requests, along with the proposed QR code design shall be submitted to: upi.marketing@npci.org.in | upi.compliance@npci.org.in
3. **Turnaround Time :** NPCI shall review and communicate its approval/ observations within 5 working days of receiving the submission.
